PIPES OF PEACE

PAUL McCARTNEY

Pipes of Peace

I light a candle to our love
In love our problems disappear
But all in all we soon discover
That one and one is all we long to hear

All round the world
Little children being
Born to the world
Got to give them all we can
Til the war is won
Then will the work be done

Help them to learn
Songs of joy instead of
Burn baby burn
Let us show them how to play
The pipes of peace
Play the pipes of peace

Help me to learn
Songs of joy instead of
Burn baby burn
Won't you show me how to play
The pipes of peace
Play the pipes of peace

What do you say?
Will the human race
Be run in a day?
Or will someone save
This planet we're playing on
Is it the only one?
(What are we going to do?)

Help them to see
That the people here
Are like you and me
Let us show them how to play
The pipes of peace
Play the pipes of peace
Oo oo oo oo

I light a candle to our love
In love our problems disappear
But all in all we soon discover
That one and one is all we long to hear

Say Say Say

Say say say
What you want
But don't play games
With my affection
Take, take, take
What you need
But don't leave me
With no direction

All alone, I sit home
By the phone – waiting for you, (baby)
Through the years
How can you stand to hear
My pleading for you dear?
You know I'm crying!
Oo oo oo oo oo
(Yeah yeah)

(Now) go go go
Where you want
But don't leave me here
Forever
You you you
Stay away
So long girl I
See you never

What can I do
Girl to get through to you
Cos I love you, (baby)
Standing here
Baptised in all my tears
Baby through the years
You know I'm crying
Oo oo oo oo oo

You never ever worry
And you never shed a tear
You're saying that
My love ain't real
Just look at my face
These tears ain't drying

You you you
Can never say
That I'm not the one
Who really loves you
I pray pray pray
Every day
That you'll see things
Girl like I do

What can I do
Girl to get through to you?
Cos I love you, (baby)
Standing here
Baptised in all my tears
Baby through the years
You know I'm crying
Oo oo oo oo oo

Oo oo oo oo oo
Say, say, say…

The Other Me

I know I was a crazy fool
For treating you the way I did
But something took a hold of me
And I acted like a dustbin lid

I didn't give a second thought
To what the consequence might be
I really wouldn't be surprised
If you were trying to find another me

Cos the other me would rather be the glad one
The other me would rather play the fool
I want to be the kind of me
That doesn't let you down as a rule

I know it doesn't take a lot
To have a little self control
But every time that I forgot
Well I landed in another hole

But every time you pull me out
I find it harder not to see
That we can build a better life
If I can try to find the other me

The other me would rather be the glad one
Yeah the other me would rather play the fool
Said I want to be the kind of me
That doesn't let you down as a rule

But if I ever hurt you
Well you know that it's not real
It's not easy living by yourself
So imagine how I feel

I wish that I could take it back
I'd like to make a different mood
And if you let me try again
I'll have a better attitude

Well I know that one and one makes two
And that's what I want us to be
I really would appreciate it
If you'd help me find the other me

And the other me would rather be the glad one
The other me would rather play the fool
But I want to be the kind of me
That doesn't let you down as a rule
Ooh

The other me would rather be the glad one
And the other me would rather play the fool
Said I want to be the kind of me
That doesn't let you down as a rule
Yeah

Keep Under Cover

Love I'm going to pick you up in the morning
Love I'm going to take you out on a journey
I don't know where I'm going to
But I know what I've been going through
Without you by my side
Ooh

What good is butter if you haven't got bread?
What good is art when it hurts your head?
Might as well be in bed

Keep under cover til the battle has ceased
Keep out of trouble til the prisoners are released

What good's a puzzle when you haven't a clue
What good is me when I'm not with you?
Might as well stay in bed

Keep under cover til the clouds disappear
Keep out of trouble til the weather is bright and clear

Love I'm going to pick you up
I'm going to take you out
I don't know what I'm going to do
But I know what I've been going through
Without you by my side
Without you by my side

What good is tennis when there isn't a ball
What good's a curtain without a call
Might as well be in bed

Keep under cover til the battle has ceased
Keep out of trouble til the prisoners are released!

Love I'm going to pick you up
(I'm going to pick you up)
I'm going to take you out
(Yes I'll be taking you out)
I don't know what I'm going to do
But I know what I've been going through
Without you by my side
(Without you by my side)
Without you by my side

Keep under cover
Yeah
Keep under cover
Ooh
Keep under cover
Keep under cover
Keep under cover

AVERAGE PERSON

Look at the Average Person
Speak to the man in the street
Can you imagine the first one you'd meet?

Well I'm talking to a former engine driver
Trying to find out what he used to do
Tells me that he always kept his engine
Spit and polished up as good as new
But he said his only great ambition
Was to work with lions in the zoo
Oh to work with lions in the zoo

Yes dear, you heard right
Told me his ambition was to work with lions every night

Look at the Average Person
Speak to the man on the beat
Can you imagine the first one you'd meet?

Well I met a woman working as a waitress
I asked exactly what it was she did
Said she worked the summer crowd at seasides
Wintertime she ran away and hid
Once she had a Hollywood audition
But the part was given to a kid
Yes the part was given to a kid

Yes, sir, you heard right
Hollywood ambition made a starlet grow up overnight

Well I bumped into a man who'd been a boxer
Asked him what had been his greatest night
He looked into the corners of his memory
Searching for a picture of the fight
But he said he always had a feeling
That he lacked a little extra height
Could have used a little extra height

Yes, mate you heard right
He always had a feeling that he might have lacked a little height

Look at the Average Person
Speak to the man in the queue
Can you imagine the first one is you?

Look at the Average Person

HEY HEY

Hey hey
Hey hey
Hey hey

Hey hey
Hey hey
Hey hey

Hey hey
That's all

TUG OF PEACE

It's a tug of war
No no, your troubles cease
When you learn to play the pipes of peace
It's a tug of war
No no, your troubles cease
When you learn to play the pipes of peace
What with one thing and another
It's a tug of war
No no no no

It's a tug of war
No no, your troubles cease
When you learn to play the pipes of peace
It's a tug of war
Learn to play the pipes of peace

Pushing, pushing
Pulling, pulling
Pushing, pulling

THROUGH OUR LOVE

We wasted time and again
On things
Things we already knew
Born to do
I give my love to you

Whenever you get some time
Whenever you get some time
I'd like to roll it all
Up in a ball
And spend it with you
You've got the power of love
And love has the power to make it come true

We can go….
Through our love
We can do things that they said were impossible
Through our love
We can do all that we want to do
We can go through our love
We can go through our love

Whenever you will be mine
Whenever you will be mine
I want to be with you
Just want to do whatever feels right
You got the power of love
And love has the power to turn on the light

Here we go…
Through our love
We can see things that they said were invisible
Through our love
We can see where we are going to
We're going through our love
Through our love we can learn to do things
That they said were impossible
Through our love
We can be blessed with a better view
We can go through our love
We can go through our love
We can go through our love

SO BAD

There is a pain
Inside my heart
You mean so much to me
Girl I love you
Girl I love you so bad

And if you leave
My pain will go
But that's no good to me
Girl I love you
Yes I love you so bad

Well it feels so good
Sometimes it feels so bad
This is worse than anything
I've ever had…

There was a pain
But now you're here
And I don't fear a thing
Girl I love you
Yes I love you so bad
And she said
Boy I love you
Boy I love you so bad

(I love) girl I love you
(I love) girl I love you so bad
(I love, I love)

Well it feels so good
Sometimes it feels so bad
This is worse than anything
I've ever had…

There was a pain
But now you're near
And I don't fear a thing
(I love) girl I love you
(I love) girl I love you so bad
(I love, I love)
She said
(I love) boy I love you
(I love) boy I love you so bad
(I love) girl I love you
(I love) girl I love you

THE MAN

There's a man
Who plays the game of life so well
Ooh there's such a man
His thoughts you can never tell
Ooh and it's just the way
He thought it would be
Cos the day has come for
Him to be free
Then he laughs, he kicks
Then rolls up his sleeves
I'm alive and I'm here forever
This is the man…

And it's just the way
He thought it could be
Cos the day has come
For him to be free
Then he laughs and kicks
And rolls up his sleeves
I'm alive and I'm here forever
This is the man…

There's a man
Everybody thought they knew
Ooh there's such a man
He's not like me and you
Ooh and it's just the way
She thought it would be
As he says, something has
Happened to me
Then he laughs, he kicks
And rolls up his sleeves
I'm alive, and I'm here forever
This is the man...

And it's just the way
He thought it would be
Cos the day has come
For him to be free
Then he laughs as he smiles
And rolls up his sleeves
I'm alive and I'm here forever
This is the man…

Did you know
This man can do anything?
Ooh there's such a man
I wish that we could bring
Ooh and it's just the way
He thought it would be
Cos the day has come for
Him to be free
Then he laughs, he kicks
And rolls up his sleeves
I'm alive and I'm here forever
This is the man…

And it's just the way
He thought it could be
Cos the day has come
For him to be free
Then he laughs, then kicks
And rolls up his sleeves
I'm alive and I'm here forever
This is the man…

This is the man
Ooh yeah, ooh yeah
This is the man
This is the man

SWEETEST LITTLE SHOW

Well they can treat you like a brother
Yeah they can treat you like a clown
But if they treat you like a lover
They've got the sweetest little show in town
You got the sweetest little show
Sweetest little show
Sweetest little show in town

You've been around a long time
But you're still good for a while
And if they try to criticise you
Make them smile, make them smile

And if they treat you like a brother
Well you will never never let them down
But if they treat you like a lover
They've got the sweetest little show in town
They've got the sweetest little show
Sweetest little show
Sweetest little show in town

You got the sweetest little show
Sweetest little show
Sweetest little show in town

You got the sweetest little show
Sweetest little show …

In love all of life's contradictions dissolve and disappear.
